The Miami Passport Agency is experiencing an increase in demand for U.S. passport issuance from numerous American citizens from all over the United States involved in the Haiti Disaster Relief Effort. We are very pleased to announce the U.S. Department of State’s Miami Passport Agency will be open on Saturday January 16, 2010, Saturday January 23, 2010, and Saturday January 30, 2010 from 9:00 a.m. to 3:00 p.m. to help serve those involved with Haiti Disaster Relief Effort. **No appointment is needed during these special Saturdays for those involved in the relief efforts**; please feel free to refer your constituents or entities with urgent travel needs related to the Haiti Disaster Relief Effort to our office on either Saturday. We want to serve as many customers as possible while offering them the convenience of applying on a Saturday. We encourage customers to arrive as early as possible on either day. We, of course, continue to offer U.S. passport service to all Americans with urgent travel Monday through Friday, from 8:00 a.m. to 3:00 p.m. via appointment.

Our new facility is located at the Omni Center, 1501 Biscayne Boulevard, Suite 210, Miami, Florida 33132. As always, our customers can visit our website at travel.state.gov for information on necessary documents or they can call the National Passport Information Center at 1-877-487-2778.
